Morocco, Algiers Settle Hectic Border Dispute

BAMAKO, MALL (UPI)—King Hassan II of Morocco and Algerian President Ahmed Ben Bella concluded a peace agreement halting their bitter Sahara border conflict Wednesday and shook hands in public to show they want to be good neighbors again.

After a day and a half of hectic bargaining, the two chiefs of state announced Moroccan and Algerian troops will cease fire at midnight Nov. 2, and that the quarrel over areas of iron-rich Saharan phosphate will be resolved in peaceful talks.

The 33-year-old King, wearing a grey business suit, and the 47-year-old Algerian revolutionary in buggy battle dress sealed their accord with a public handshake at the end of their summit meeting on neutral grounds in the government palace of this West African capital.

MALL PRESIDENT Modibo Keita and Ethiopian Emperor Haile Selassie sponsored the compromise peace pact under which:

Moroccan and Algerian troops will pull out of the disputed frontier area which will become demilitarized zones policed by Ethiopian and Malian control missions. The zones will be supervised and policed by a commission of Algerian, Moroccan, Ethiopian and Malian delegations.

2. AN URGENTLY-CONVENED foreign ministers conference of the 32-nation Organization of African Unity (OAU), formed in 1963, may to further its mutual cooperation will name another commission to determine which side started the Algerian-Moroccan conflict and seek a permanent solution of the conflict.

Soviet Paper Denounces Chinese As Warmongers

MOSCOW (UPI) — The Soviet military newspaper Red Star Wednesday denounced the Communist Chinese as nuclear warmongers despite the call by Premier Nikita S. Khrushchev last weekend for "truce in the nuclear war" among the Soviet, Moscovites and Peking.

Observers said the harsh tone of the article indicated that the bait to polemics suggested by Khrushchev had not been agreed to by the Chinese communists.

The Chinese theoreticians insisted on a law, which states the more people the revolutionaries kill, the stronger the might of the revolution," Red Star said.

"The Chinese are not dismayed at the fact that a thousand heat was destined to millions of working people," according to the article written by Col. P. Trifonenko.

The Chinese have published "distortions," "monstrous invention" and "slander" about the

Soviet Union's own views on war and peace, the newspaper said.

The bitter attack was in marked contrast to the conciliatory address of a top Chinese Trade Union official Tuesday before the 10th Union Congress in the Kremlin. Chao Kuo-Chiang, secretary of the All-China Federation of Trade Unions, was applauded when he said China respects certain aspects of the peaceful co-existence theory.

Clare Boothe Luce Defends Lady Nhu

NEW YORK (UPI) — Clare Boothe Luce, former Ambassador to Vietnam, defended South Viet Nam's first lady, Mme. Ngo Dinh Nhu against widespread criticism that her government was persecuting Buddhists.

Ms. Luce said some of the Buddhist monks who poured gasoline on themselves and died in flames may have made a "good deal" for themselves because they assured themselves of sainthood.

Mrs. Luce also charged that Mrs. Nhu's critics believed that the Diem family controls the South Viet Nam government was a case of the pot calling the kettle black.

Professional Teacher - Third Phase

er's Note: This is the third of a series on proposed Teacher Education Rank programs in Utah public schools.

third phase of a tentative Teacher Education Rank program in Utah public schools is that of Professional Teacher.

PROFESSIONAL preparation requires a Master's degree, a teaching field plus 54 additional hours.

the administrative credentials now recommended require this level of preparation, but by conceding administrative

tion ought to demand more professional preparation than teaching if we do not hold to equivalent standards. If our top teaching and school management salaries are to be competitively close to each other we must have commensurate levels of graduate preparation standards.

The PLAN in regards to teaching experience would require at least seven years of experience. This may be adjusted upward. If the logic of encouraging teachers' encouragement for advanced study.

to move to the top as rapidly as possible was emphasized the necessary years of teaching experience could be kept low.

If A PROPOSED approval of the overall plan were made the college course content would need to be reviewed and revised to provide specialties while they rendered teaching service. This program would require increased financial support and more extensive preparation standards.

The PLAN in regards to teaching experience would require at least seven years of experience. This may be adjusted upward. If the logic of encouraging teachers' encouragement for advanced study.

Mat Meeting Is Scheduled For Wrestlers

BYU wrestling coach Clint Whiffield has announced a wrestling meeting for all those students interested in this sport on the intercollegiate level.

MEETING is scheduled for Friday, November 1, at 5 p.m. at 219 Smith Fieldhouse and all students—including freshmen—are invited.

Explanation of requirements and of the coming season will be given by coach Whiffield.

LAST SEASON THE wrestling team was the only squad from Brigham Young that was able to earn a championship in the Western Athletic Conference. And, with most of their top wrestlers returning, the Cougar matmen should be favored to repeat as conference titlists.

Kittens Griders Meet Utags Friday

defeated but somewhat wiser Freshmen team resumed this week's preparation with a duel with the Utah State team on Friday afternoon at Cougar Stadium.

H STATE FRESHMEN team to Provo with a 1-1 record lost 13-6 to the same squad that beat the Kittens last Friday in Salt Lake City. Utah State from turned on

the power themselves Friday and whipped the Idaho State frosh 41-0. The Y the first year team were on the short end against Utah State as the young Farmers won 24-12.

THE LINE-UP will be the same for the Kittens in the Utah State game as against the University of Utah Paooses with the exception of the fullback position. John Graves will replace Norbert Handel who is out with an injured ankle.

The defense will be Virgil Carter, Kent Oborn and Bill Garrison in the backfield. From end to end will be Bob Alphin, Max Huber, Grant Wilson, Mel Olson, Mike DeMello, Earl Hesdani and Gordon Jennings.

"WE ARE STILL learning the new formation and individual assignments. "We are pleased with the team outside of a few mistakes," were the remarks of fresh coach Chris Apostol.

The BYU Kittens were six points short of a victory over Utah. From the evidence of the first half in which the two teams played scoreless football, it appeared that the game would not matter of time until the junior Cats would find the end zone.

HOWEVER, AFTER the inter-

mission it was just the opposite. Ute freshman Mike Martinez, five foot-five halfback who would just as soon play tennis, found easy running around the Ute right end.

The young backfield capitalized on this and ran in that direction one out of every three plays until Utah had piled up a 120 lead.

KITTENS Ivan Turpin, Bob Alphin and Tony Jansen teamed up to block both extra point attempts by the Ute frosh.

Coach Apostol's Kittens used the new Y formation with some authority, but failed twice to score from the Paooses' three-yard line. The Kittens found it impossible to open the center of the Utah line while within smelling distance of the end zone.

Virgil Carter handled most of the field general ship chores for the frosh in their "Y" offense and his 43-yard toss to Kent Oborn accounted for the lone BYU touch down. Carter threw the pigskin 15 times, completed six for 123 yards and had one aerial intercep-

LENNY GUTHRIE, another Kitten quarterback, took one pass but due to a Utah rush was forced to throw short and the errant aerial was picked off by a Paoose defender. Oborn, Alphin and Gordon Jennings were the top three receivers with Oborn hauling in two pitches for a total of 83 yards.

On the ground the Kittens covered 35 yards in 56 rushing plays. Carter was the leading rusher with 36 yards in 15 carries. Bill Garrison was next with 34 yards in 11 tries.

DEFENSIVELY THE Y frosh displayed lots of aggressive tackling with Grant Wilson, Mel Olson and Cung Belsher leading the Kitten defensive rush.

Men May Be Buddhas By Comprehending All

The goal and objective of Buddhism is to change the illusions to enlightenment and thereby enable man to achieve Buddha-hood.

This was the way Shoko Masunaga, head of the Jodo Shin-Shu Buddhist church of San Mateo, Calif., explained the tenets of his religion Wednesday.

"OUR CHURCH differs from other churches," he said. "They all have this dualistic concept of man and God—that they are always separate."

In the Buddhist faith a man can become a Buddha (enlightened on) and this is a state, he said.
